CELEBRATE
2021

GEORGE WOOD PERFORMING ARTS CENTRE
YARRA VALLEY GRAMMAR, KALINDA RD,
RINGWOOD VIC 3134

It has now been 581 days since our last concert. We are so incredibly happy to be breaking that streak today with our 2021 mid-year concerts!

Thank you for coming to support our dancers today.
Thank you to our teachers for choreographing the routines seen on stage.
Thank you to all our staff for the behind-the-scenes work.
Thank you to everyone involved for supporting Vibe Studios!

2020 was hard for us all. For a lot of little (and big!) boys and girls, life without being at the studio for so long was rough. We became quite nervous as the future of Vibe Studios was looking very gloomy. However, with the support of our beautiful families, we were fortunate enough to reopen and are very pleased with how the business has bounced back. Thank you so much to everyone who stuck by us during the lockdowns and to those who returned or joined us for the first time afterwards. It means the absolute world to us! Not only have you kept us all in our jobs that we are so passionate about, but you have also allowed so many of our students to return to their second home and continue developing their love and passion for dance with their second family.

In addition to the obvious time it has been since our dancers have taken the stage, we have recently had 3 weeks off due to our most recent lockdown and 2 weeks off over the school holidays. It's fair to say that our dancers are a bit rusty. However, we're sure that when they step on the stage and hear the roar of the audience that they will feel right back at home. Please go absolutely crazy with support for our brave dancers! We're also making up our lost Photo Day today by having professional photos taken backstage. This may mean the concert has a few speed bumps, but we're sure we'll make it through!

THERE IS TO BE ABSOLUTELY NO STILL OR VIDEO PHOTOGRAPHY TAKEN OF THIS SHOW. Please understand that this is a serious legal issue. Professional photos taken by John Travers Photography backstage are available online (email to be sent over the next few weeks) and the show is being filmed by Stagefright Productions. Order forms for the DVD & streaming service can be picked up from the foyer or at the studio. These orders must be in at the studio by Saturday 24 July.

Please don't forget to tag us in all of your social media posts and use the hashtag #cyftv. We have a banner set up in the foyer for you to take lots of photos in front of.

We hope you enjoy this very special show!
